EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO.3

This Explanatory Statement is in terms of Regulation 36(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') though statutorily not required in terms of Section 102 of the Act.

The appointment of Statutory Auditor M/s Luthra & Associates, Chartered Accountants (Firm Registration No. 031997N) was for five years from the conclusion of the 39th AGM till the conclusion of the Annual General Meeting to be held in year 2024. Therefore, the tenure of the said auditors has been completed and therefore we are appointing new auditors for our company.

After evaluating and considering various factors such as Industry experience, competency of the audit team, efficiency in conduct of audit, independence, etc., the Board of Directors of the Company ('Board') has based on the recommendations of the Audit Committee proposed the appointment of M/s B. B. Chaudhary & Co., as the Statutory Auditors of the Company, for a term of five years from the conclusion of Forty forth AGM till the conclusion of forty ninth AGM of the Company to be held in year 2029, at a remuneration as may be mutually agreed between the Board and the Statutory Auditors.

M/s B. B. Chaudhary & Co. have given consent to their appointment as the Statutory Auditors and have confirmed that the appointment, if made, would be within the limits specified under Section 141(3)(g) of the Act and that they are not disqualified to be appointed as the Statutory Auditors in terms of the provisions of Section 139 and 141 of the Act and Rules framed thereunder.

Besides the audit services, the Company may also obtain certifications from the Statutory Auditors under various statutory regulations and certifications required by banks, statutory authorities, audit related services and other permissible non-audit services as required from time to time, for which they will be remunerated separately on mutually agreed terms, as approved by the Board in consultation with the Audit Committee.

The Board in consultation with the Audit Committee, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

None of the Directors, Key Managerial Personnel or their relatives are in any way, concerned or interested, financially or otherwise in the resolution at Item No. 3 of the accompanying notice.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW OF INDIAN ECONOMY

As of 2024, the Indian economy continues to be one of the world's most dynamic and rapidly growing economies. Here's a comprehensive overview of the current scenario. India is experiencing a robust economic recovery post-pandemic, with GDP growth rates estimated to be around 6-7% for the fiscal year 2023-2024. This recovery is driven by strong domestic consumption, investment, and export performance.

GLOBAL ECONOMIC CONDITIONS

The prolonged geopolitical tension between Russia and Ukraine has adversely affected global trade and crude oil prices, weighing heavily on raw material prices. As a cascading effect, economies across the world have witnessed a tighter inflationary grip.

DOMESTIC ECONOMIC CONDITIONS

The Indian economy has rebounded strongly from the COVID-19 pandemic, with GDP growth rates projected at around 6-7% for the fiscal year 2023-2024. This recovery is driven by increased domestic consumption, investment, and exports.

For the fiscal year 2023-2024, India's GDP growth rate is projected to be around 6-7%. This represents a strong recovery from the pandemic-induced slowdown and is driven by robust domestic demand, investment, and export performance. Quarterly growth trends show a steady recovery, with significant contributions from both the industrial and services sectors. Investment levels are increasing, particularly in infrastructure, real estate, and industrial capacity. Foreign direct investment (FDI) continues to flow into sectors like technology, pharmaceuticals, and manufacturing.

(Source: <https://timesofindia.indiatimes.com/business/indiabusiness/indias-q3-gdp-at-4-4-economy-to-grow-at-7-in-fy23/https://www.indiabudget.gov.in/economicsurvey/doc/eschapter/echap09.pdf>
<https://www.outlookindia.com/business/growth-premiumnew>)

India's GDP growth reflects a resilient and dynamic economy, driven by strong domestic demand, investment, and a diverse industrial base. Addressing structural challenges and ensuring inclusive growth will be key to sustaining this positive trajectory.

COMPANY OVERVIEW

Our Company is engaged in the business of leasing of finance, hire purchase etc. During the financial year 2023-24, the Company incurred a net profit of Rs. 81786.00 and the company has shown some recovery as compared to previous year.

OUTLOOK

India is expected to experience a slower real GDP growth (relative to FY 2023-24) of 6% to 7% in FY 2023-24 according to S&P Global ratings. The country has recovered quickly from the pandemic, and the growth in the upcoming year will be driven by robust domestic demand and increased capital investment. The Government has raised capital expenditure to offset the private sector's cautious stance on capital expenditure, supported by strong financials and high GST and direct tax collections. Nevertheless, global spills over, high inflation and aggressive monetary policies could hinder the steady growth trajectory. Given India's depending trade and financial linkages with advanced economies, caution is essential. India's growth cycle has exhibited a high degree of synchronization with advanced countries, and it is impossible to avoid the short-term consequences of a potential downturn.

INDUSTRY STRUCTURE AND DEVELOPMENT

During economic crises, financial institution plays a crucial role in promoting stability and implementing regulatory measures to support households and businesses. Ongoing geopolitical conflicts have been slowed countries post-pandemic recoveries and hastened the normalization of monetary and fiscal policies after years of unprecedented stimulus measures. In such situation, Financial Institutions have emerged as principal institutions providing credit financing to the unorganized and underserved sectors, playing a significant role in the Indian financial system.

The MSME sector will play a pivotal role in the growth of Financial Institutions in the country. Despite being one of the major contributors in the country's economy, the MSME sector is facing credit gap from the financial institutions. The total addressable market for MSME financing is Rs. 46.4 million with a CAGR of 13% in the MSME Credit. Only 15% of total addressable market is served by the formal institutions. The rationalization and consolidation of the MSME industry in India is a much needed process that is expected to bring a host of benefits to the sector.

OPPORTUNITIES AND THREATS

Opportunities

- Underserved retail and MSME Sector providing greater opportunities for NBFC's to grow
- Robust Working capital demand continues to remain poised. Optimistic Capital Markets
- Tax motivations by Government
- Growing digitalization and analytics enhancing lending efficiency.

Threats

- Exposure to the abnormal Industry risk factors
- Entry of many players in the banking and non-banking operations creating stiff competition.
- Global economic turndown may cause market slowdown. Global geopolitical crises may affect the business scenario of the country

SEGMENT-WISE PERFORMANCE

The Company operates in one segment i.e. Finance Services.

RISK MANAGEMENT AND GOVERNANCE

Effective Risk Management is essential to the success and sustainability of any business. By integrating risk management into all of our activities, we ensure that we optimize the risk-return equation while adhering to all applicable laws, rules and regulations. This approach not only protects our Company from potential losses but also enhances its reputation as a reliable and responsible financial services provider. We recognize that risk management is not a one-time activity but an ongoing process that requires constant vigilance and adaptation to changing circumstances.

Independent Auditor's Report

To the Members of Hindustan Auto Finance Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Hindustan Auto Finance Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2024, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors is responsible for the other information. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report

to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

11. As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
12. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. Further to our comments in Annexure A, as required by section 143(3) of the Act, we report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per Annexure B expressed unmodified opinion;
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position as at 31 March 2024;
 - ii. Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;

- iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
- h) The Company maintains its books of accounts manually and does not use accounting software; hence, the feature for recording an audit trail (edit log) is not enabled.

- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause (v) of the Order are not applicable.
- (vi) As informed to us, the maintenance of Cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Act in respect of the activities carried out by the Company. Therefore, reporting under clause (vi) of the order is not applicable to the Company.

Annexure A to the Independent Auditor's Report of even date to the Members of Hindustan Auto Finance Limited, on the financial statements for the year ended 31 March 2024

- (vii)(a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹ lakhs)	Amount paid under protest (₹ lakhs)	Period to which the amount relates (AY)	Forum where dispute is pending
Income tax Act, 1961	Income tax	1	-	2001-02	Commissioner of Income Tax (Appeal)

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under Income Tax Act, 1961 (43 of 1961) as income during the year. Accordingly, the requirement to report on Clause (viii) of the Order is not applicable to the Company.
- (ix) (a) The Company has not defaulted in repayment of loans or borrowings to any bank or financial institution or government during the year. The Company did not have any outstanding debentures during the year.
- (b) To the best of our knowledge, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, the Company has not taken any term loan.
- (d) According to the information and explanation to us, no funds raised on short term basis have been used for long term purposes by the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, joint ventures or associate companies.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) and did not have any term loans outstanding during the year. Accordingly, the provisions of clause (x)(a) of the Order are not applicable.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (b) No report under sub-section (12) of Section 143 of the Companies Act has been filed by the Auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

Annexure A to the Independent Auditor's Report of even date to the Members of Hindustan Auto Finance Limited, on the financial statements for the year ended 31 March 2024

- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle blower complaints received by the Company during the year, hence reporting under clause (xi)(c) of the Order is not applicable to the Company.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.
- (xiv) (a) In our opinion, the Company has adequate internal control system commensurate with the size and the nature of its business.
- (b) The internal Audit reports of the Company for the period under audit have been considered by us.
- (xv) In our opinion during the year, the Company has not entered into any non-cash transactions with the directors or persons connected with its directors, and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Hence, reporting under clause (xvi)(a) to clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on clause (xviii) of the Order is not applicable to the Company.
- (xix) According to information and explanations given to us and based on our examination of the records of the Company and financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditors knowledge of the Board of Directors and management plans, we were in the opinion that no material uncertainty exists as on the date of the audit report. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) In our opinion, the provisions of the Section 135 of the Companies Act, 2013 are not applicable to the Company and accordingly Clause (xx)(a) and Clause (xx)(b) is not applicable to the Company.

Annexure B to the Independent Auditor's Report of even date to the Members of Hindustan Auto Finance Limited, on the financial statements for the year ended 31 March 2024

Annexure B

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Hindustan Auto Finance Limited ('the Company') as at and for the year ended 31 March 2024, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

Annexure B to the Independent Auditor's Report of even date to the Members of Hindustan Auto Finance Limited, on the financial statements for the year ended 31 March 2024

transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Hindustan Auto Finance Limited

Notes to the Financial Statements

1. General Information

Hindustan Auto Finance Limited ("the Company") is incorporated under Companies Act 1956 and the main source of revenue of the company is lease Income. The Company has followed prudential Norms of RBI for Non-Banking Financial Companies (NBFCs) with regard to asset classification, recognition, investments and provisioning.

2.1 Material accounting policies

This note provides a list of material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation

i. Statement of Compliance

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values and the provisions of the Companies Act, 2013 ('the Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Functional and presentation currency

These financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakh, unless otherwise indicated.

b) Segment reporting

The Company operates under single reportable operating segment. Accordingly, disclosure relating to operating reportable segment as required under Ind AS 108 are not applicable.

c) Revenue recognition

- Additional Hire Charges/ Lease charges are in the nature of compensation charges and Penal charges are on recognised basic.
- Hire purchase Income is apportioned equally over the Hire Period. However, for cases financed after 1st April 1997, income has been computed on the IRR method.
- The Prudential Norms prescribed by the RBI regarding the Non-Performing Assets are being followed by the Company and no income is recognized in respect of Non-performing Assets.

Heera

Hindustan Auto Finance Limited

Notes to the Financial Statements

d) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate in India adjusted by changes in deferred tax assets and liabilities attributed to temporary differences and to unused tax losses.

Current Tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situation in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amount expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

e) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

f) Stock on Hire

Stock on hire has been valued at cost plus total finance charges as reduced by the installments, which have matured during the relevant period.

g) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet where there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

h) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

i) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation on fixed assets is provided on straight-line method at the rates prescribed under Schedule II of the Companies Act, 2013.

Neera Saxena

Hindustan Auto Finance Limited

Notes to the Financial Statements

Gains or loss arising from de-recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit and Loss when the asset is derecognised.

j) Investments and other financial assets

i. Initial measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

ii. Classification and subsequent measurement

For the purpose of subsequent measurement, financial assets of the Company are classified in the following categories:

- Financial assets measured at amortized cost;
- Financial assets measured at fair value through other comprehensive income (FVTOCI); and
- Financial assets measured at fair value through profit and loss (FVTPL)

The classification of financial assets depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. Management determines the classification of its financial assets at initial recognition.

iii. Financial assets measured at amortized cost:

A financial asset is measured at amortized cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables, bank deposits, security deposits, investment in Government Securities, bonds, cash and cash equivalents and employee loans etc.

iv. Financial instruments measured at fair value through other comprehensive income

A financial instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- a. the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets; and

Neeva Sappa

Hindustan Auto Finance Limited

Notes to the Financial Statements

- b. the asset's contractual cash flow represents SPPI.

Financial instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value. Fair value movements are recognized in other comprehensive income (OCI). Currently, the Company does not have any asset classified under this category.

- v. Financial instruments measured at fair value through profit and loss

Fair value through profit and loss is the residual category. Any financial instrument which does not meet the criteria for categorization as at amortized cost or fair value through other comprehensive income is classified at FVTPL. Financial instruments included within FVTPL category are measured initially as well as at each reporting period at fair value. Fair value movements are recorded in statement of profit and loss. The Company has certain investment e.g., UTI Balance Fund, etc. classified under this category.

- vi. Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised only when:

- The rights to receive cash flows from the asset have been transferred, or
- The Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the Company has transferred an asset, it evaluates whether it has substantially transferred all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. When the Company has not transferred substantially all the risks and rewards of ownership of a financial asset, the financial asset is not derecognised.

When the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the entity has not retained control of the financial asset. When the entity retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the asset.

k) Earnings per Share

- i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year

- ii. Diluted earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Heera Sarda

Hindustan Auto Finance Limited

Notes to the Financial Statements

l) Provisions and contingencies

Provisions are recognised when there is a present legal or statutory obligation or constructive obligation as a result of past events and where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets where it is probable that future economic benefits will flow to the Company are not recognised but disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

m) Contributed equity

Equity shares are classified as equity

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2.2 Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company's accounting policies.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

2.3 New standards that are not yet effective and have not been early adopted:

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparing these financial statements.

a) Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2024, MCA has not notified any new standard and amendment to the existing standards applicable to the Company.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Neeva Sap

Hindustan Auto Finance Limited**Notes to financial statements**

(All amount in Rs. Lakh, unless otherwise stated)

1) The carrying amounts of trade receivables, trade payables, cash and cash equivalents, other bank balances, other receivables, security deposits and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

2) For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- fair value of the mutual funds has been determined on the basis of closing NAV of the respective funds on the closing date.
- the fair value of the borrowings is determined using discounted cash flow analysis.

(iii) Fair value of financial assets and liabilities measured at amortised cost

As at 31 March 2024		As at 31 March 2023	
Carrying amount	Fair value	Carrying amount	Fair value
Financial Liabilities			
-	-	-	-
Total financial liabilities			
-	-	-	-

The fair values for loans, security deposits and investment in government securities were calculated based on cash flows discounted using a current lending rate. They are classified as level 2 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are observable.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are observable.

During the year, there has been no movement between fair value levels from previous year.

20 Financial risk management

The company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Trade receivables and other financial assets	Aging analysis	Diversification of bank deposits, investments, credit limits and Bank Guarantee
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – interest rate	Borrowings at variable rates	Sensitivity analysis	Arrangement with borrowers for periodic reset of interest rate

The Company's risk management is carried out by a treasury department under the supervision of Chief Financial Officer of the Company. The treasury department identifies and evaluates financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, liquidity risk, etc.

(A) Credit risk

Credit risk arises from trade receivables, investments and other financial assets.

(i) Credit risk management

Credit risk is managed on company basis.

(ii) Reconciliation of loss allowance provision – Trade receivables

Loss allowance on 1 April 2023	(0.54)
Changes in loss allowance	-
Loss allowance on 31 March 2023	(0.54)
Changes in loss allowance	-
Loss allowance on 31 March 2024	(0.54)

The increase in loss allowance for trade receivable is mainly attributable to the higher amount of outstanding balance of trade receivable at the end of reporting period partially set-off by the trade receivable recovered during the period.

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the dynamic nature of the underlying businesses, Company's treasury maintains flexibility in funding through availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at company level in accordance with practice and limits set by the company. In addition, the company's liquidity management policy involves close monitoring of daily liquidity position by considering daily cash collection and level of liquid assets necessary to meet cash outflow obligation, monitoring balance sheet liquidity ratios against internal and external regulatory requirements.

(C) Market risk

(i) Foreign currency risk

The company does not have foreign operation. Further, at the reporting date, the company does not have any assets/liability denominated in foreign currency. Therefore, company is not exposed to foreign currency exchange risk at the reporting date.

(ii) Interest rate risk

The company's does not have borrowing.
